

Quick Sharing Device

- 1 Invite friends to register & login by installing the App “DophiGo”.
- 2 The device owner can share it by choosing “Account invitation” or “QR code invitation” when clicking the sharing button in the App.

Installation Instruction

If you need to install the device, please make sure the wall is thick enough beforehand.

- 1 **Install the installation base**
Choose a clean flat surface, ensure the front part of installation base facing up towards you and then fix it to the wall with a screw.
- 2 **Install Device**
Put the device to be attached on the installation base and adjust its angle by driving the device upwards with the installation base.

Note

- Only supports 2.4 GHz Wifi, please make sure the wifi is 2.4 GHz WiFi on your phone’s connection before adding camera.
 - Max support TF card with 128G of FAT32 file system.
 - Under the recording cycle, camera will overwrite the earliest video automatically when TF card is full.
 - Please do not expose the device to high temperature/high humidity or lots of dust/smoke and other harsh environment on your installation, otherwise it is likely to be damaged.
 - The App of “DophiGo” and firmware will upgrade occasionally, please update it yourself online if you get a notice from the system.
- Please refer to the “Help and Feedback” of the App for more reference.

Limited Material or Element Identification table

Limited Material or Element Identification	Name of Parts			
	Shell	Circuit board	Package	Accessories
(Pb)	o	o	o	x
(Hg)	o	o	o	o
(Cd)	o	o	o	o
(Cr(VI))	o	o	o	o
(PBB)	o	o	o	o
(PBDE)	o	o	o	o

“o” indicates that the content of the toxic and hazardous substance in all homogeneous materials of the component is below the limit specified in the SJ/T11364 standard.
 “X” indicates that the content of the toxic and hazardous substance in at least one homogeneous material of the component exceeds the limit specified in the SJ/T11364 standard.
 The “x” shown in this table indicates that it has used EU RoHS exemptions for certain hazardous substances in specific applications.

After-Sale Support

- I. Warranty term**
The camera warranty applies only to product failure due to non-human causes during the warranty period.
